3SIXTY Marketing Solutions

Jan 2020 - Feb 2020 | Internship
Sep 2020 | Currently employed

My position at 3SIXTY Marketing Solutions involves creating google ads, Video ads, Facebook ads, website ads, website skins, infographics, REFP, presentations, Social media posts, and social media Headers / Banners. I also helped with print production: printing and cutting cards and flyers.

CUDBEAR

Aug 2017 - Current | Co-owner

Cudbear is a 3 piece rock/grunge band that performs live shows as well as create digital content; music videos, social media, song recordings. My role in Cudbear is the drummer/back up vocalist and art director/graphic artist. Some of the graphics I have created include; Social media ads, print, music videos, posters, album art and merchandise.

DJS

Mar 2021 - Current | Owner

DJS is my personal freelancing graphic design business. So far I have had a few clients for logo creation, business cards, and social media advertising.
